WORKPLACE GIVING NONPROFIT DIRECTORY

2017-2018

**EVERY DOLLAR MAKES A DIFFERENCE!**

When we give together, our investment in the nonprofits serving our community grows exponentially. A payroll contribution of \$5 a week adds up to a \$260 personal donation. As 40 people contribute \$5 a week together, it quickly becomes a \$10,000 community investment in local nonprofits. Let's make a difference together.

The more than 200 nonprofits highlighted in this directory transform our donations into meaningful change in our community. Give any amount and designate to the nonprofits of your choice. We welcome you to join us as we invest in our community together.

Partnership  
**FOR** Colorado

Thank you for giving with Partnership for Colorado!

## Partnership for Colorado – Your Choice for Giving At Work

Since 1992 Partnership for Colorado has served to increase donor choice in workplace giving programs. Combining the nonprofit membership of three local federations provides a comprehensive and inclusive list of charitable choices. Our nonprofits are annually certified to ensure your dollars are going to effectively managed agencies that are amongst the best practitioners in Colorado.

## Your Paycheck Contribution

We work directly with your employer to ensure your gift reaches the nonprofit of your choice. Paycheck contributions are received from your payroll office throughout the year and distributed to your designated charities on a quarterly basis.

Partnership for Colorado encourages donors to choose the recipient charities for their gift. We believe that community members are the best people to decide which community needs their dollars will support. With no minimum donation amount, all donor designations are honored.

## Transparency and Trust

Nothing is more important than your trust. Partnership for Colorado is committed to the best practices in workplace giving campaigns and managing all donations with financial clarity. Designated nonprofits cost-share the administrative expenses of workplace giving fundraising through a campaign management fee of approximately 15% of the annual campaign total. Our member nonprofits are aware of this fee and recognize it as a low cost, highly effective opportunity to reach new donors and to provide supporters a year-round giving option.

## Tax Deduction Eligibility

Donations made through workplace giving are eligible for a deduction on your annual income tax. IRS reporting laws require you to provide a copy of your pledge form as well as a copy of your final paystub of the year showing the total amount withheld as a charitable contribution.

**Thank you for giving with Partnership for Colorado.**
